

Mission Celebrates Birthday at Fiesta

Old Mission San Luis Rey celebrates its 165th birthday tomorrow and Sunday, with a Fiesta rich in color and tradition.

The Fiesta begins at noon Saturday with the old Church custom of the Blessing of the Animals. Children will bring their gaily decorated pets to the front floor of the Mission where the blessing will take place, followed by the judging of the animals for prizes. Last year, the line of animals was led by the movie and TV star, Lassie.

Entertainment will be continuous throughout the Fiesta, with strolling Mariachi players and special acts on the stage, including the colorful Apache Indian dancers from the Arizona Desert and the famed Padre Choristers. All entertain-

ment is free of charge.

The solemn outdoor Mass will be celebrated at 11 a.m. Sunday, by Franciscan Padres wearing the old Spanish vestments from the Mission Museum. The Padre Choristers will sing the Mass in the old plainchant used by the Indians at San Luis Rey in the year 1821.

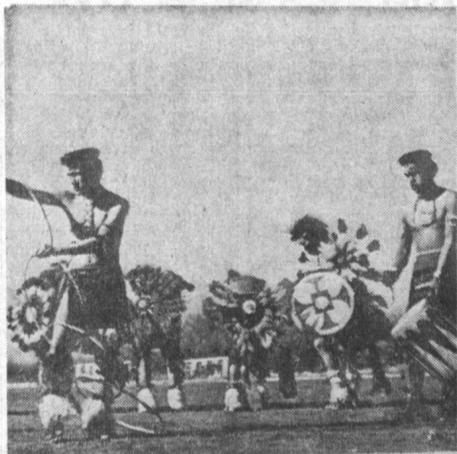

Another feature of the Fiesta will be the arrival of the Caballeros del Camino Real at 2 p.m. Sunday. About eighty horsemen, dressed as Spanish cavaliers of 1780, will leave Pala Mission on Saturday morn-

ing, camp overnight at the Douglas Rancho, and continue to San Luis Rey, to be greeted with the ringing of the Old Mission bells.

In another historic traditional ceremony, the Presidente of the Caballeros will present their flag to the superior of the Old Mission.

Other traditional features of the Fiesta will be the beef barbeque, Mexican food, games, booths, burro rides, and the flashing color of early California costumes.

San Luis Rey Mission is located three miles inland from Oceanside, California.

COLORFULLY COSTUMED Apache Indian Dancers from Arizona will perform spectacular tribal dances, free to the public, at the Fiesta of Old Mission San Luis Rey, near Oceanside, Saturday and Sunday, July 13-14, and continue daily performances to July 21.

Sacramento To Be Topic Of Sermon

Communion services will be held on Sunday at First Church of Christ, Scientist, and all other Christian Science churches throughout the world. The First Reader will read the church tenets and will invite the congregation to kneel in silent communion.

The Bible Lesson on "Sacramento" will include this verse: "Blessed are the pure in heart: for they shall see God" (Matt. 5).

Among selections from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be this: "We should examine ourselves and learn what is the affection and purpose of the heart, for in this way only can we learn what we honestly are" (p. 8).
